# **WELCOME TO THE CANNING SOFTBALL ASSOCIATION OFFICIAL WEBSITE!**

**Canning Softball Association was established in 1981. The association was created to bring all levels of the game to one place and enjoy our Saturday afternoons at Centenary Park, in Wilson. Starting as a Men's competition, we had many participate from regular softballers looking for somewhere local to play, to envious parents of Tee-ballers looking to have a go at a diamond sport. The competition soon expanded to add a Women's league and has been growing ever since. With many veterans of the sport, an atmosphere of real community and competition has been created.**

**Throughout the years our facilities have been upgraded giving us new club/change rooms, canteen and bar areas to enjoy. With great volunteers and members to keep the day running, we are able to enjoy post-game socialising throughout the season. We work hard to maintain our family friendly environment, atmosphere and progress as an association, and would love for you to join us. If you, a family member, a friend or even Sharon from your local supermarket, are keen to have a go, get in touch through our registrar, and we can point you in the right direction.**

**Look forward to seeing you down there!**
